Professional Summary

React Frontend Developer skilled in building responsive and scalable web applications using ReactJS, TypeScript, JavaScript, HTML5, and Tailwind CSS. Experienced in developing component-based user interfaces, integrating REST APIs, and translating Figma designs into production-ready web applications. Strong focus on performance optimization, usability, and clean, maintainable code.

Technical Skills

- **Frontend:** ReactJS, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS
- **UI/UX:** Figma, Wireframing, Prototyping, Design Systems, Responsive Web Design
- **Core Concepts:** Object-Oriented Programming, Component-Based Architecture, React Hooks
- **Web & APIs:** REST API Integration
- **Tools:** Git, GitHub, Vite, VS Code, npm

Technical Projects

SmartAI Chat – React App | [Download APK](#)

Tech Stack: ReactJS, TypeScript, Tailwind CSS

- Implemented dynamic state management for real-time conversational interface rendering.
- Ensured responsive UI and optimized rendering performance across devices.

DataViz - Web Application | [Go Live](#)

Tech Stack: ReactJS, JavaScript (ES6+), HTML5, CSS3

- Developed interactive dashboard components to visualize structured data effectively.
- Applied object-oriented programming principles to maintain clean and scalable code structure.

SkillBridge – UI/UX Design Project | [Prototype](#)

Tech Stack: Figma, Design Systems, Prototyping

- Created wireframes and high-fidelity prototypes to define system features and interaction patterns.
- Designed system interaction flows based on user requirements and usability best practices.

Education

Chaitanya Junior College, Telangana, India

Intermediate (10+2) -94.9%

2021 – 2023

St. Martin's Engineering College, Hyderabad, India

B.Tech in Computer Science | CGPA: 8.5/10

2023 – 2027

Certifications

UI/UX Design Certification by [Microsoft](#)

- Focused on user interface design principles, wireframing, prototyping, usability standards, and responsive design methodologies.

React Fundamentals Certification by [Meta](#)

- Covered modern ReactJS fundamentals, component-based architecture, and responsive web development practices.

Web Development Certification by [IBM](#)

- Completed training in HTML5, CSS3, and modern frontend development workflows.
